

What to expect for your first visit at Gaston Rehab Associates, Inc. Physical Therapy

Upon arriving at our office the day of your first visit, if you have not already filled out the new client intake forms which are available on this website, you will be asked to do so then. We ask that you make an attempt to arrive 10-15 minutes prior to your scheduled appointment time so that we can make sure that all forms are filled out correctly and so we can make copies of your insurance cards and any other information you may have.

"All examinations and treatments in our Gastonia office are provided by Doctors of Physical Therapy who have over 18 years of combined experience."

Plan on staying in our office for about one hour to one hour and fifteen minutes your first day. We make every attempt to not only perform a thorough examination, but to also start treatment the first day so that no time is lost working toward your goals. We will set up a plan of care during this session and all treatment options will be discussed as well as the expected time frame for your completion of skilled physical therapy. All examinations and treatments in our Gastonia office are provided by Doctors of Physical Therapy who have over 18 years of combined experience. All treatment sessions are set up to ensure one on one interaction between you and the therapist. Questions are encouraged and an ongoing and open line of communication needs to be established so that we can be sure that your needs are well taken care of.

If you were referred from a physician our office will communicate your progress to your physician at a minimum of every 30 days or as needed if progress toward your goals is somehow

delayed. We have open lines of communication with most physicians in the area and always love to make new contacts if for whatever reason you are working with a physician in which we have not had previous contact.

We appreciate your business and thank you for choosing Gaston Rehab Associates, Inc. Physical Therapy as the provider for your physical therapy needs. We look forward to meeting you soon and if you have any questions, please feel free to call our office today at (704) 864-4424.
